

CARBINE I

8 HOURS

PRICE

\$250

This course is designed for the new or experienced shooter looking to learn or improve the carbine fundamentals. Course instruction includes core marksmanship skills such as stance and positions, sight picture, mounting/shouldering, fire control manipulations checking your zero, equipment considerations, reloading, malfunctions, and principle use of cover. Due to this course being the foundation of higher level courses, you will also be exposed to firing your carbine from right and left shoulder mount methods. After successfully demonstrating these fundamentals, you will be introduced to methods of walking and firing on a target.

As always, bring an open mind.
