

CARBINE III

8 HOURS

PRICE

\$300

Prerequisite: Carbine 2. (Must provide proof of training)

This course is for the more advanced and experienced individual to train under adverse mental and physical conditions while maintaining accuracy and speed. In signing up for this course, you will be subjected to moderate to high physical and mental stress to test/discover your limits.

This course also demands you perform the fundamentals from Carbine 1 & 2. Safety will not be compromised for any reason, and you are subject to being disqualified from the course. Light running, pushups, situps, weighted vests, dumbbells, and barrels will be incorporated to tax your physical fitness. Mental disorientation techniques may include a PA system, complex drills, or verbal and visual distractions. This course will be filled with varying drills and exercises every time, so you can enjoy it every time you attend.

As always, bring an open mind.
